Glass Architectural Hardware

The technical presentations and dimensions in the illustrations and drawings are non binding. We reserve the right to make changes to specifications at any time. We do not accept any responsibility for any errors which may occur in the production of this catalogue. All sizes in millimeter (mm).

The products in this list are the ones that are currently in the NSA product range. Since our product range is updated frequently, please feel free contact us if you cannot find any particular information.

The printed colours indicating the surface finishes are not 100% true, but do provide a useful guide.

Pictures may show designs which are different to the scope of delivery.

INNOVATION WITH INTEGRITY
